Observations... From Around Town

(BY JAY WHOZIT)

Slowly, but surely, we are gradually getting back to normal, on Sunday afternoon the first work train was sent over the L. & N. R. R. Co. bridge, but as yet no passenger traffic has been allowed over... on Monday afternoon, the highway bridge, over the Bay, was opened to light traffic, while repairing continues... our friend, Howard LeTissier, of the Hotel Reed, is the new president of the Hancock County Chamber of Commerce, so come on, folks, let's all put our shoulders to the wheel and help Howard really put this Chamber of Commerce in the first ranks, because our town now can surely use some honest-to-goodness boosting... the Gulf Coast Association, at their meeting held last week have a committee to assist anyone who sustained any losses in the recent hurricane to collect their proper amount of insurance, so if you have not yet put in your insurance claim, and are in doubt as to just how to go about it, you may feel free to call on anyone of the committee members and they will be more than glad to assist you... casting for the minstrel to be presented by the Little Theater, sometime in November, is now underway and anyone interested in taking part in same may contact Mr. John Bell, who will direct the minstrel, which incidentally, is to be the last presentation of the Little Theater for this year... be sure to get your automobile license tag during this month, because you will be required to pay a penalty after the first day of November... the U. S. Army engineers are here in full force with lost of equipment and have a large crew of workmen busy clearing the entire town of storm debris, headquarters have been set up at the City Hall... we have been advised to the effect that storm damage is chargeable in your income tax return, so keep an accurate account of all damages, which includes damage to the home, outhouses, furniture, garden, (trees and shrubbery, etc.), and any other personal property that is not covered by insurance, so remember this because the time is not far distant, when you will need this information... the squirrel season opened Wednesday, the 15th, the dove season opened Thursday, and ends Oct. 31st, and again throughout January, the dove population is reported up, this season... in the future garbage in the city will be picked up on Tuesday, and Friday and the Mayor asks that those whose homes the garbage collectors cannot reach will please destroy all garbage before it decays, in order to protect the public health... the Bay Garment Corporation is now again in operation, and Mr. Rutter, manager, states that nearly all of the old workers have returned and that the company hopes in time to enlarge its facilities... with the cooperation of the public this can be done... since the hurricane, we have enjoyed almost perfect weather, which is really a blessing, because it has given everyone time to repair their roofs and other damages before the winter weather sets in... Stanislaus will play Notre Dame High School here next Friday night for their first home football game, Bay High plays Our Lady of Victory from Pascagoula, Miss., here next Thursday... the American Federation of Labor has given John L. Lewis and his type of leadership a swift kick in the pants—that type of labor leadership is trying to butt into our senatorial race in the election of November 4th and Bill Colmer our red headed congressman whom they are seeking to defeat, is standing toe to toe with this crowd and trading punches—the Taft-Hartley Bill he says is not a slave labor bill but is the salvation of the working man and removes him from the slavery of the type of leadership that is determined to undermine the government of this country—go to it Bill... we need more men in public office with the courage of their convictions and who are willing to give both management and labor a square deal and who are not guided by the loud yelling of a few fellows who would do far better in Moscow.

Hospital Members Asked To Send in Dues

The Bay St. Louis Circle of Kings Daughters are reminding you that you may not have sent in your membership dues of \$1.35. Have you forgotten or are you indifferent? Surely not the latter. If the hospital did not mean much to you, in the past surely you were awakened to the realization of its worth to the county after what was done following the devastating hurricane.

It is requested that you mail or take your dues to the hospital now because the hospital needs funds and besides you should consider this your opportunity to help in a big way and a general way. Please respond to this deserving call. Join the Kings Daughters today.

Reverend Father Evans Addresses Students Of St. Stanislaus

Reverend Ferdinando Evans, Editor of The Shield, organ of the Catholic Student Missions Crusade, spoke to the Students of St. Stanislaus earlier in the week on the object and work of the Crusade.

This organization is being directed by the Secular Clergy under the sponsorship of the Bishops of the Country. Its center is at Cincinnati and is at present being directed by Monsignor Edward A. Freking. Father Evans said "this organization might be said to be almost miraculous in its inception for the religious money with which the present headquarters was built was obtained by means yet unaccountable."

In outlining the work of the Student Missions Crusade, Father Evans said further, "Every student can take an active part in the work of the missionaries in the United States and its possessions by prayers for the Missions; Work for the Missions; and Sacrifice for the Missions."

"At the present time stress is made on study of the Missions. The Central office sends out monthly releases on the work of the Missions within the continental United States and its possessions. The purpose is to inform all Catholic Students about the Mission Work of the Church. Thus, students become a part of the Mystical Body of Christ, and will exemplify the definition of the Holy Father as to what constitutes Catholic Action."

The Central Office does not accept any money for the Missions, this offering if made can be directed to any particular field for which the local unit dedicates itself. Father accentuated the idea that the Central office is merely to foster the study of the missions and its needs.

Bay High Tigers Lose To Poplarville

The Bay Hi Tigers played an improved football game last Friday but it was not enough to beat Poplarville. On several occasions the Tiger backs broke loose for long runs. However, fumbles proved to be their downfall.

This week the Tigers meet Pass Christian High on the Pass field, the game starting at 8:00 p. m. on Friday. A large crowd is expected since this will be the Homecoming game for Pass Christian.

P. T. A. TO CELEBRATE ITS STATE BIRTHDAY THIS MONTH

Mrs. C. C. McDonald, state publicity chairman for the Mississippi Congress of Parents and Teachers, has released the following publicity from the state office: The Mississippi Congress of Parents and Teachers organized in 1909, celebrates its state birthday this month. For a number of years, by proclamation of the Governor, October has been declared PTA month. With school sessions already underway the parent-teacher associations over the state climax the drives for membership, hoping to bring last year's 38,000 to the goal of 50,000 as the National Congress celebrates her Golden Jubilee.

An addition to the usual birthday celebration at the regular October meeting has been the pledging of the birthday gift to the number one project, "Education for Responsible Parenthood."

The Mississippi Congress in cooperation with the State YWCA and State Departments of Health, Welfare and Education, has sponsored this program for the past three years and through its classes, conferences and institutes 21,883 persons have been served. It has grown steadily.

In addition to participation in summer Workshops for Teachers, the full time family educator, Dr. S. T. Robbins, will this fall give courses at Mississippi Southern College, Hattiesburg, in Marriage and Family Living and in Adolescent Dynamics.

The program has filled a great need as it has helped both parents and teachers to understand the emotional growth of children, shown them how to present parenthood facts to children and trained them in the social guidance of youth.

October 19 will be observed as Teacher's Day a custom started as part of PTA month when Mrs. R. D. Jenkins was president of the State Congress.

The local PTA has arranged with the churches to have a part of the church service on October 19 centered around the teachers in our different schools. And have also arranged with Dr. S. T. Robbins to be in Bay St. Louis in the near future to give a series of talks on the ERP program.

At this time there has been 100 Bay St. Louis mothers to enroll as members of the local PTA and in Mrs. Ashcraft's room there is a 100 per cent membership.

ANNOUNCE ENGAGEMENT

—Mr. and Mrs. George Felix Stevenson announce the engagement of their daughter, Carol, to Samuel Patrick Murphy, the son of Mr. and Mrs. Charles Brown Murphy of Logtown. The wedding will take place in December.

SPONSORS FIRE PREVENTION PROGRAM AT BAY HIGH

Mrs. Ellis Guillory, Girls' director of Health and Physical Education at Bay High, sponsored a fire prevention program on Thursday, October 9 at the assembly period, in keeping with National Fire Prevention Week, October 5-12.

Mrs. Guillory had launched a poster contest in the eighth grade and grammar school and the posters were used as stage decoration and Mrs. Guillory explained the reason for Fire Prevention Week and the seriousness of fire and what can and may be done to prevent them.

T. T. Robin, Rotary Community Service chairman, addressed the group. Mr. Robin called attention to the enormous program reaching all over the United States and Canada and the tremendous cost in dollars and cents of fires—not only what is destroyed but the maintenance of fire fighting equipment, insurance, air planes, etc. And fires he said are due to individual carelessness—the careless use of matches, carelessness in throwing burning cigarette butts where they ignite. "You can't all be firemen" Mr. Robin said, but each one of you is a fireman in your own right." He told them that they could have safety boxes for matches, could see that cigarette butts are in ash trays and take many other precautions. He cited the Texas City fire with its tremendous loss of life and all because of a lighted cigarette.

Mrs. Guillory then announced Joan Bannister and Nancy Coward as the winners in the eighth grade and grammar grades in the poster contest and presented each with a gold hair beret.

The program closed with the 1947-48 cheer leaders giving their cheers.

Addresses Bay St. Louis Rotary Club

Donald B. Sherwood, general adjuster for the national board of Fire Underwriters addressed the Bay St. Louis Rotary Club on Wednesday. Mr. Sherwood was introduced by Warren Jackson, President of the Gulfport Board of Fire Underwriters. Offices have been opened in Gulfport for the purpose of handling claims of property owners whose property was destroyed or damaged in the recent hurricane.

Mr. Sherwood has the supervision of the handling of claims for more than 200 fire insurance companies.

Joseph O. Mauffray of this city was a guest of the club for lunch.

Seniors At S. J. A. Elect Officers

At a recent meeting of the 1947-48 Seniors, of S. J. A., the following young ladies were elected officers: President: Gwen Hartman. Vice President: Gloria Martin. Secretary: Leboria Bourgeois. Treasurer: Dolores Snick. Plans are formulating for a very active year.

Received Into Holy Angel Society

On Tuesday, Feast of the Holy Rosary, fifty little girls and boys, attending St. Joseph Academy, were received into the Angel Sodality. This impressive ceremony was followed by Solemn Benediction of the Most Blessed Sacrament with Monsignor A. J. (Canon) Gmelch celebrant. The hymns were sung by St. Joseph Academy choir.

Rockchaws Lose To McGill, 19-0

On Friday, October 10th, the Rock-A-Chaws of St. Stanislaus lost their first football game to McGill of Mobile. The score was 19-0. The Rocks fought valiantly but due to the hurricane and the school being closed, the boys just weren't at their best.

Hospital Notes

BIRTHS: Mr. and Mrs. Randolph Bourgeois, Jr., Bay St. Louis, a son, Saturday, October 11; Mr. and Mrs. T. M. Mullini, Bay St. Louis, a son on Sunday, October 12; Mr. and Mrs. L. D. Head, Pass Christian, Route 1, a son on Monday October 13.

Mrs. Fred Choina is a medical patient.

Carolyn Hoda, Kiln, medical patient, is reported improving.

Leon Favre, Bay St. Louis, who was a medical patient at the hospital was discharged on Tuesday.

Marguerite Randolph underwent an appendicectomy operation on Friday of last week and her condition is favorable.

Vernie Weigand is a patient suffering from a broken arm, which occurred while practicing football on St. Stanislaus field. The break is just above the wrist and not considered serious.

LIGHT TRAFFIC ALLOWED OVER HIGHWAY BRIDGE

Work Trains Used L. & N. Bridge On Last Sunday—Passenger Service Will Soon Be Resumed from Mobile

The State Highway Department has announced the opening of the Highway Bridge over the Bay of St. Louis for light traffic after completing the driving of piling and the replacing of the superstructure that was destroyed in the hurricane.

Heavy traffic will not be allowed the use of the bridge until such time as all pilings on the north side of the bridge that were damaged have been replaced. The barges that destroyed some 70 piling prior to going through the bridge.

The L. & N. bridge over the Bay was connected on Sunday and work trains were allowed to pass over. It has not been definitely decided as to when passenger trains will be allowed to use the bridge, however as soon as it is considered safe passenger service will be resumed between Bay St. Louis and Mobile.

The officials and crews of the Louisville and Nashville Railroad, should be complimented for the work that has been done on their bridges, and we understand that the work of rebuilding the road bed between Waveland and New Orleans is progressing satisfactorily.

Solemn High Mass of Thanksgiving To Be Celebrated Sunday, Oct. 19

Right Reverend Monsignor Andrew J. Gmelch, Pastor of Our Lady of the Gulf Church, has announced, that on Sunday, October 19th, the eleven o'clock Mass will be a Solemn High Mass of Thanksgiving, for the people of the Parish to offer their thanks to Almighty God for having preserved their lives during the hurricane of September 19th, and for not having wrought more damage upon the community than it received.

Represent Garden Club At Meeting of Gulf Coast Council of Garden Clubs

Mrs. E. P. Kirkpatrick and Mrs. Eugene Mogabgab represented the Bay-Waveland Garden Club at the first meeting of the board of the newly organized Mississippi Gulf Coast Council of Garden Clubs held on Wednesday at the home of Mrs. Tom Adams in Pass Christian. Others present were Mrs. H. E. Hoke, Gulfport; Mrs. Wavel Reagan, Biloxi; Mrs. Herbert F. Danulson, Long Beach; Mrs. Walter Reed, Biloxi; Mrs. Louise Curtis, Irish Mill Garden Club, Mrs. Charles W. Smith and Mrs. W. C. Johnson, Pascagoula. The major purpose of the meeting was to formulate plans and objectives of the council and to submit the by-laws and constitution to the council for ratification.

Gulfport Garden Club will be hostess to the next meeting on October 29.

Mrs. Adams served a luncheon to her board members and the ladies enjoyed a social hour with Mrs. Adams in her home.

The board members are taken from the presidents and past presidents of the Gulf Coast Garden Clubs and all garden club members are automatically members of the council.

Library Asks That Books Be Returned

The Bay St. Louis-Hancock County Library is asking that all readers having books which were taken out prior to September 19 will please check and bring them in to the library as soon as possible. The library has lost books because they were in possession of people whose homes were wholly or partially destroyed by the hurricane of September 19. But the library cannot check their stock and replace these books until all other books are returned. It is evident to readers that the library is not asking storm sufferers to pay for books lost but it does have to have some check on these in order to know what has to be replaced. Please cooperate and get your books in as soon as you can. The library needs your assistance in this. Thank you.

Former Army Nurses Can File Applications Until November 30th.

LEGION AUXILIARY TO BE FORMED

Meeting To Be Held At Bay High Auditorium Oct. 20

The recent storm interrupted the proposed meeting and formation of the American Legion Auxiliary. At a recent meeting it was decided to call a special meeting October 20 at 8 p. m. and to organize the auxiliary at that time.

Mrs. Laurence Dickson who has been very active in Legion work has already recruited many names and many more should be added to the list. All members who will be present at this meeting will be charter members. Your names will go on the charter when it is needed.

The following is the requirement for membership: Mother, Wife or Sister of a Veteran are eligible. Remember you will be doing your Veteran a favor and a favor to your community by joining the Auxiliary. Don't forget the Place and the time. Bay Hi Auditorium 8 p. m. Monday, October 20.

Refreshments will be served.

Home Agents Notes

All persons interested in a two or three day school on Refinishing Furniture contact your Home Demonstration Agent, Miss Annie Lois May at the K. C. Hall. You will find that you can do a good job at very little cost by doing your own work. Supplies for this work may be obtained through your Home Agent.

If interested call the Home Agent at 125 in the K. C. Hall. You should begin right away before the weather gets cold as it will be more comfortable for work.

City Echoes

—Mrs. H. Bly, of New Orleans, is spending several days in the home of her daughter, Mrs. F. J. Cassidy.

—The many friends of Joe Kern are welcoming his return from the hospital in New Orleans where he has been a patient. Mr. Kern is looking 100 per cent well and says it feels good to be home.

—Robert Ciriot of Pascagoula is now with Kern's as assistant to Mr. Kern. Mr. Ciriot is staying at the home of Miss Louise Crawford. He is a nephew of the former Miss Sallie Ciriot so well known here.

—Gayle Aiken has returned from New Haven, Conn., where he attended a dedication service of a memorial altar erected to 15 undergraduates of whom his son Lieutenant Gayle Aiken III was one. He was joined there by his two sons Hugh and William. Lt. Aiken was lost at Guadalcanal. The altar is erected in the Battle Chapel at Yale University and the names of those honored are in the cross in gold letters.

—Mrs. Bernard Blaize and little son Don have returned from a visit to her sister, Mrs. Hazel French at Pass Christian.

—Mrs. Mary Willis and her granddaughter Miss Kay Ford have returned from Jackson where they visited Mrs. Willis' brother and friends.

—Mr. and Mrs. Charles Kerr of New Orleans are spending the fall season in their home in Nicholson avenue. They are joined here frequently by their sons-in-law and daughters Mr. and Mrs. John Saunders and Mr. and Mrs. Joseph Rhodes of New Orleans.

—Miss Fatsy Martinson of Jackson was a guest here last week of Miss Kay Ford and both attended the Georgia Tech game.

—Rev. P. E. Pierce and Dr. and Mrs. J. A. Evans left on Wednesday for Jackson to attend the annual conference of the Methodist Church in session in the Capitol Street Methodist Church. Dr. Evans is an official delegate to the conference from the Methodist church here.

—Mr. and Mrs. A. H. Willimits and children have taken the Spurl cottage for a few months.

—Mrs. Edward Means of New Orleans, spent the week end here with her parents Mr. and Mrs. E. P. Kirkpatrick.

—The many friends of Mrs. Earl Ramond are glad to know that her mother Mrs. W. B. Lundy of Pass Christian has sufficiently improved to be moved from the hospital to her home. Mrs. Ramond's brother, Tom Lundy, who was in an automobile accident last week has had to have a major operation on his knee but his sister Mrs. Kenneth Murphy and her son Mr. Lundy in the accident suffered only minor injuries and was not hospitalized.

BAY-WAVELAND GARDEN CLUB MET ON OCTOBER 9TH.

The Bay-Waveland Garden Club met on Thursday, October 9 at the home of Mrs. Louis Pate on North Beach.

C. C. Stone presented J. C. Olson who reported on his week at Reforestation school at McComb, which he attended. J. C.'s attendance was sponsored by the Garden Club and he took in reforestation, soil conservation and wild life.

Mrs. J. R. Rollins introduced Mr. Bateman who gave a helpful talk on the reforestation of shrubs and trees damaged by the recent storm. He gave suggestions on fertilization to be used and demonstrated pruning. He suggested that Easter lilies, Ardisia, salvia, calendulas be planted now to replace expected blooms retarded by the salt spray. Mr. Bateman introduced the African Violets as a new hobby for flower growers.

Mrs. Wilson Wittleberger, Miss Elsie Spurl and Mrs. E. P. Kirkpatrick were appointed a committee to see the proper authorities as to what may be done to save the oaks which were torn partly out of the ground by the high winds of the hurricane.

Mrs. Eugene Mogabgab announced the council meeting of garden clubs for the South Region is to be held at Meridian on November 12. There will be two cars going from Bay St. Louis and any club member wishing to attend may contact Mrs. Leo W. Seal or Mrs. Mogabgab.

Guests of the club at the meeting were Mesdames L. A. Rogers, W. L. Melcher, Wayne Ducomb, Ursula Bernard and Miss Ethel Anderson.

Entertaining with Mrs. Pate were Mesdames Wilson Wittleberger, H. C. Glover, George Stevenson, R. N. Blaize and Miss Elsie Spurl. Refreshments were served at the close of the meeting.

The Garden Club expressed its appreciation to every corporation, organization and individual who so generously and readily came in the assistance of the stricken area in the aftermath of the hurricane of September 19.

Mayor Asks For Cooperation Disposition of Garbage

Mayor G. Y. Blaize has announced that the City trucks will collect garbage on Tuesdays and Fridays for the time being.

He has asked the cooperation of the people living on the beach front, where the roads are impassable, due to storm damage, to please assist in the disposal of the garbage in the most practical manner, until such time as the City is able to get the streets back to normal condition.

Sodalists of S. J. A. And St. Stanislaus To Sponsor Animated Rosary

The Sodalists of St. Stanislaus and St. Joseph Academy will sponsor an animated Rosary on the Stanislaus Campus on the evening of Saturday, October 25th beginning at 7 o'clock to be followed by Benediction of the Most Blessed Sacrament in the College Chapel.

This religious ceremony, which has gained great interest in various parts of the country, will be the first on the Stanislaus campus in several years. The ceremonies will be under the direction of Brother Constantius S. C. Faculty Director of the Stanislaus Sodality.

The general public is, through this means invited to take part in the ceremonies.

DATE SET FOR LITTLE THEATER MINSTREL

The Bay St. Louis Little Theater, forced to abandon plans for presenting "Claudia" because of the hurricane, intends to finish its 1947 season with a minstrel show that will surpass even last year's hilarious performance. Rehearsals will begin next week, and the show will go on Thursday, Friday and Saturday nights, December 4th, 5th and 6th.

The cast at present consists of the following: Mrs. Alden Mauffray, Mrs. Clifton Ferrell, Messrs. Brother and Sister Elected Officers Senior Class At Mississippi Southern

It was quite interesting to note the election of Delmas Ladner III, and Miss Bettye Ladner, as Vice President and Secretary, respectively, of the Senior Class at Mississippi Southern College, Hattiesburg. Delmas and Bettye are the children of Mr. and Mrs. Delmas Ladner of Hattiesburg, and grandchildren of Judge Alcide Ladner of Bay St. Louis.

NEW SUPERIOR GENERAL NAMED FOR SOCIETY OF THE DIVINE WORD

Word has been received here, at St. Augustine, Seabury, Bay St. Louis, Miss., that the Very Rev. Alois Kapperberg, S. V. D., provincial of the Austrian Province, of the Society of the Divine Word, has been elected as the fifth Superior General at the seventh General Chapter in Rome.

All of the provinces, except one Polish Province of the Order were represented at the General Chapter. America having three provinces were represented by the Very Rev. Joseph Eckert, S. V. D., Provincial of the Southern Province, together with the Reverend John Kemper, S. V. D., as delegate, and the Very Rev. Carl Michel, S. V. D., Provincial of the Western Province, and the Very Rev. Frank Humel, S. V. D., provincial of the Eastern Province, together with the Rev. Anthony May, S. V. D., and Alphonse Lesage, S. V. D., delegates respectively.

The New Superior General was born in Dippmardorf, Germany in 1890. He entered the Society in 1904 and was ordained in 1915. Elected in 1938 the Provincial of the Austrian Province.

He succeeds the Very Rev. Joseph Grendel, S. V. D., who was superior from 1932 to 1947.

The Superior General's assistants are: John Van der Heijden, S. V. D., a missionary from the Sunda Islands; the Rev. Joseph Grendel, S. V. D., former superior General; the Rev. Frank Herud, S. V. D., Provincial of the Polish Province; the Rev. Frank Humel, S. V. D., Provincial of the Eastern Province of the United States and the Rev. Anthony May, S. V. D., Mission Procurator of Society in the United States.

At present the members of the Society include one Cardinal, two Archbishops, 12 Bishops, 6 Prefects Apostolic, 2060 priests, 1195 Brothers, 507 major seminarians, 71 clerical novices and 2300 college and high school students. The Society was founded by the Venerable Arnold Janssen on September 8, 1875 at Steyl, Holland. Missions are maintained in every quarter of the globe, including: China, Japan, Philippines, India, Indies, New Guinea, Argentina, Chile, Brazil, Africa, Paraguay and among the Negroes in North America.

RED CROSS DISASTER RELIEF

The gathering of material for working up individual case histories of families who have applied for assistance has kept the staff of the Red Cross Disaster Relief Unit very busy this week, according to Charles B. Cooper, area Director. This is a very difficult period in the program, Mr. Cooper pointed out, because on the outside it would seem as if little were being accomplished, yet it is the preliminary to the determining of the actual awards which families are to receive.

Each of the 439 families registered with the Red Cross in Hancock County can be assured that its case will be given very close and careful study and will be dealt with according to the accepted Disaster Relief policies of the American Red Cross. A great deal of information about the resources and liabilities of the family has to be secured and this, of course, has to be verified. This is very time consuming and each of the case workers on the staff is making every effort to accommodate the families which are assigned to her without too much delay.

The Disaster Relief workers have a two way responsibility. Mr. Cooper said in discussing the operation. They serve as agents for the American people who have donated money to the Red Cross to help disaster stricken families unable to rehabilitate themselves. This must be done according to sound policies of social welfare and must be effective and permanent. It must be adequate and yet it must not be so overgenerous as to destroy the faith which people have in the Red Cross. The yardstick for all Red Cross assistance, therefore, is the families need and not their losses.

All awards to families are made according to a plan worked out between the family and the case worker and approved by the Director with the advice and guidance of the Advisory Committee, made up of men and women representing various sections of the County. Depending on conditions these awards can cover many different needs. Mr. Cooper pointed out, such as medical bills, household furnishings, repair, and rebuilding of homes as well as for livestock or fishing equipment. In each case the award is made outright and never in the form of a loan.

Families can feel sure that all dealings with the Red Cross will be held in strictest confidence and families themselves are urged not to advertise their situation to their own neighbors.

Womens Society of Christian Service Meeting

The Womens Society of Christian Service of the Methodist Church will meet on Tuesday, October 21 at 3:00 o'clock at the home of Mrs. J. A. Evans, 604 North Beach. Mrs. C. M. Shipp and Mrs. Dennis Tonkel will be co-hostesses.

"BURY OUR HOPES FOR PEACE"

Unless the United States becomes the granary of the world, "we shall bury our hopes for peace," declares Chairman Luckman, of the President's food committee, in urging the people of this country to save food to prevent Europeans from having the hunger that creates despair and chaos.

The first aim of the concentrated drive is to persuade the people of this country to eliminate waste in connection with the use of food. Many foreign visitors to the United States have been appalled by the alarming quantity of food thrown away. In the opinion of American experts, the careful conservation of food will take care of the situation in Europe without causing any American to give up a normal diet.

While we have some doubt about the effectiveness of a voluntary food conservation program, although surely much food will be saved, the pressure of events in Europe demands immediate action and those directing the campaign in this country assert that the launching of a voluntary campaign is necessary because it is the quickest way to get results.

We trust that every reader of The Echo will make a conscious effort to conserve food and thus participate, in a very slight way, in the saving of lives in Western Europe.

SAME PROBLEM HERE

Advertising is misunderstood to a considerable extent by many merchants. Some of them take it for granted that the people in their trading area know that they are in business, what they sell and will give them such business as they may have.

These business men are aware of the fact that large department stores in metropolitan areas occupy buildings that are sometimes outstanding and the object of amazement to their customers. Certainly, everyone in the trading territory knows that the department store exists and because they sell practically everything, what they have for sale.

Nevertheless, it is not uncommon to see a large department store using from three to four pages of advertising in a single issue of the large newspapers at a tremendous cost. However, measured in results, the cost dwindles and, in the end, the wise manager of these stores knows that "advertising pays."

The Sea Coast Echo has not, of course, the circulation of the large dailies of the nation, nor have the merchants here the stocks of the large metropolitan department stores. However, in essence, the advertising problem in Bay St. Louis is the same for local merchants and they must use judicious advertising expenditures in the best way possible, seeking not only to acquaint the public with their firm and its business but to stimulate seasonal sales and introduce new goods.

OCTOBER MEETING OF BAY HIGH SCHOOL P-T-A.

Highlighting the October meeting of the Bay High P-T-A. on Tuesday afternoon was the exhibition of some of the work which Mrs. Ellis Guillory, Girls' director Health and Physical Education is doing at the school.

Mrs. Guillory presented a number of third grade boys and girls in an action song and dance which was to give them ease in presenting right and left hands and feet without having to stop and think as children often do. The group were selected from her entire third grade Physical Education class as being the best. She then presented the girls of grades 4 and 5 in an exercise dance to the tune of "I've Been Working on the Railroad" and they were dressed as laborers. The girls from the 8th

grade were presented in a square dance to the tune of O Susanna and the high school girls did the "Virginia Reel." This was followed by the cheer leaders giving their cheers to be used at the different games this season.

These were the winners in a contest in the Physical Education classes given previously and those having the highest rating in the work were selected.

The winner of the attendance prize was the eighth grade and Mrs. Ashcraft's room reported 100 per cent of mothers who joined the P. T. A. The association decided on Thursday, Oct. 30 for their Halloween Festival which will be given on the City Hall grounds. This is to be fun because prizes are being offered for the best costumes in keeping with the Halloween idea.

There will be no admission charge but there will be lots to sell and all sorts of features of entertainment

JUDGE JOHN C. STENNIS

To Veterans of Mississippi:

I take this method and opportunity to present to you Judge John C. Stennis of DeKalb, Mississippi, candidate for the unexpired term of the late Senator Bilbo in the November 4th Election.

Judge Stennis is forty-six years old. At the outbreak of the war in 1917, he was fifteen years old and a student in the Agricultural High School at Scooba, Kemper County.

In June, 1923, I as a member of the faculty of Mississippi State College (then known as Mississippi Agricultural and Mechanical College) saw him receive his Degree and with it, a Commission as a Second Lieutenant in the Officers Reserve Corps of the United States.

Judge Stennis then entered the University of Virginia Law School and received his Degree in Law there in 1928.

Judge Stennis, while a law student at the University of Virginia, was notified by the War Department that his Reserve Commission was being removed from the Active to the Inactive list because he had not attended the required number of Army Camps within the five-year period from 1923 to 1928.

From 1928 to 1932, Judge Stennis was a member of the State Legislature from Kemper County.

From 1932 to 1937, he was District Attorney of the 16th Circuit District and since 1937, he has been Circuit Judge of this District, three times without opposition.

On December 7, 1941, better known as Pearl Harbor Day Judge Stennis volunteered his services to the Armed Services of the United States. He volunteered for any service and was called for examination both in the Army and Navy. Both turned him down because of physical disability. Judge Stennis also waived his immunity as a Judge and registered with his Draft Board for General Service. He also had an operation performed to correct his physical defect. It was successful, but he was never called or drafted.

Judge Stennis is young, aggressive, progressive and honest. He is trained in Government by the people. He has a deep understanding of Social and Economical Problems both at home and abroad. In all legislative matters you can trust him for fair and just decisions.

I earnestly solicit your vote and influence in behalf of Judge John C. Stennis for United States Senator.

FLIES BECOMING A PROBLEM

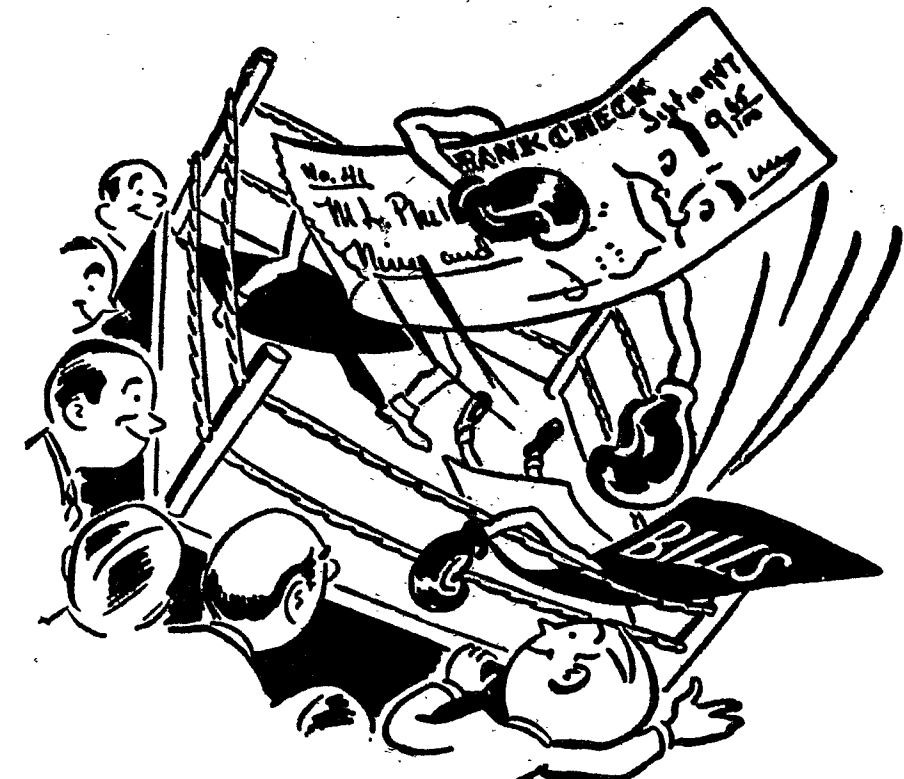

Numerous reports are coming in to Dr. C. M. Shipp, Hancock County Health officer, concerning large numbers of flies in different sections of the storm area. The county health department is doing all in its power to keep flies to a minimum, and people living in tents have had their premises sprayed this week with DDT.

Aid from outside agencies has been requested and it is hoped that an airplane will be available by the week end. The U. S. Public Health Service is sending a competent entomologist to Bay St. Louis Friday.

NOTE OF APPRECIATION

ORTIE THEATER SUNDAY - MONDAY "THE HUCKSTERS"

Starring Clark Gable and
Deborah Kerr

With the one-and-only Gable, and England's gift to America films, Deborah Kerr, heading an all-star cast, "The Hucksters" has been brought to the Ortie screen as an high-wide-and-handsome adaptation of Frederic Wakeman's best-seller novel revealing the frenzied activities that go on behind the scenes of a radio advertising agency.

The bombastic story moving at a breakneck pace, casts Gable as the ingratiating Vic Norman who comes back from the war with fifty dollars in his pocket, spends most of it on a necktie that will impress the head of the Kimberly Advertising Agency, and ends up by impressing everyone else, including the insulting and imperious soap manufacturer Evan Llewellyn Evans who hires him to put over a "Love That Soap" radio program, spurs him on to some diverting Hollywood intrigues in an

effort to lure a comic away from a rival sponsor, and almost but not quite succeeds in breaking up his romance with the lovely and aristocratic Kay Dorrance.

This is the sort of role that Gable plays to perfection. He looks and is fast-talking, charm-making, love-making Vic Norman, who sweeps everyone and everything before him until he meets a girl whom success and money can't touch. Miss Kerr plays the girl with subtle overtones and a ringing conviction that will win her a host of American admirers to add to her large English following.

A PUBLIC PROTECTION POLICY

The Mississippi brewing industry has in force an "insurance policy" that provides a valuable type of protection.

For the public, it's insurance against the law-violating, offensive and undesirable outlets that allow anti-social conditions to surround the legal sale of beer, the beverage of moderation.

For the industry itself, it's insurance against the "dives" that jeopardize the business of law-respecting and law-abiding brewers, distributors and retailers.

From where I sit, this looks like a sound "policy".

During the past eight years W. W. Pierce, director of the Mississippi Committee, U. S. Brewers Foundation, and his vigilant staff of field investigators have performed a valuable service with their "self-regulation" program. This group is always on the alert to see that those who sell beer meet every requirement of the law and observe all the rules of public decency. That's what I call a real public protection "policy".

HEALTH DEPARTMENT REPORT OF WORK DONE AFTER RECENT HURRICANE

The following has been released from the Hancock County Public Health office by Dr. C. M. Saip, director for the county. The first outside representatives to come into this devastated town, Dr. Shipp said, were two Keesler Field officers who came by boat and offered any services they might render the stricken area. With gas, water, telephone and electricity out of service all communications had to be handled by short wave radio through Gulfport, and the first problem confronting the people was that of food. It was a self evident fact that the stores would be emptied of their stock in a comparatively short time (one of the largest food stores having lost \$9,000 worth of food) and the Keesler Field officers accepted the responsibility of sending in 2500 loaves of bread, 2500 cans of soup, 2500 cans of meat, 1000 pounds of sugar and 100 pounds of coffee. This was to temporarily meet the daily needs of 4000 people. The health department felt confident that the National Red Cross would assume the responsibility of food and clothing for this area as quickly as it could move in, which it did.

Lamar Otis, disaster chairman of the Hancock County chapter of Red Cross, was sent to Piquayune and Hattiesburg to contact the mayors of these cities and explain to them the coastal situation in Hancock County. Also to notify the undertakers in Piquayune of the urgent need of their services and to notify the field personnel of the Pearl River County Health Department, consisting of two nurses and one sanitary supervisor to report for work in Hancock County immediately and their work here stretched out over a period of eight days.

Medical supplies consisting of tetanus antitoxin and penicillin were received. Dr. Shipp said, from Keesler Field and the Algiers Naval Station. The latter sent eight caskets under the direction of Lt. Commander Keefe and these men rendered splendid service in staffing the hospital and administering typhoid vaccination until they could be replaced by nurses.

Two public health nurses were sent from both the Hinds County department of health and the Forest County department. Dr. Dugger, Industrial Hygiene Supervisor and one nurse were sent to this area by the Central Board of Health.

Piquayune almost immediately sent a power generator and bulldozers in order that the work of clearing the streets of debris might be rushed. The cities of Jackson and Hattiesburg

sent in power sprays or fogging machines with operating personnel. As soon as this work was completed, every street in Bay St. Louis, Waveland, and Clermont Harbor was thoroughly sprayed with DDT. Here the Agriculture Department came into the work and sent in a flying plane to spray places inaccessible to the machines.

The United States Department sent from its New Orleans office, public water supply experts with a supply of chlorinating machines, to purify the water supply which had been affected by broken mains.

The sanitary supervisors, Wayne

Allison from Hancock County and E. C. Brooks from Pearl River County, took over the supervision of burning and burying the large dead animals and removing from the beach 1,000 or 1500 dead fish, muskrats, coons and snakes that had drifted in from outside waters. Dr. Shipp said that the Power spray did its most effective work in the prevention of fly breeding from decaying animals. This department took responsibility of preparing the chlorine mixtures used in disinfecting wells in the sparsely settled areas. The nurses, Dr. Shipp stated, were kept busy for the first three days administering tetanus antitoxin to 123 cases of minor injuries and applying dressings to the injured parts. Then they took over the typhoid vaccination work, which had been begun by the corpsmen from the naval station, and completed vaccination on 4300 people.

During this time when things to be effective had to be dispatched with the greatest rapidity possible, sleep became a forgotten luxury for

HERE IS A 4-UNIT DIESEL FREIGHT LOCOMOTIVE NOW OPERATED BY 2 MEN (1 ENGINEER AND 1 FIREMAN)

2 BRAKEMEN AND 1 CONDUCTOR COMPLETE THE CREW OF THIS TRAIN (One brakeman usually runs the locomotive in freight service)

—BUT THE UNION LEADERS WANT 15 EXTRA "SITTERS" ON THIS TRAIN... 3 ENGINEERS, 3 FIREMEN, 6 BRAKEMEN AND 3 CONDUCTORS... TO GO ALONG FOR THE RIDE AT FULL PAY!

It's to your interest to know about this proposed
feather-bedding!

For sheer feather-bedding, this mock work proposal takes the cake. But it is only one of 44 "rules" demands filed by the leaders of the operating unions. If all these demands were granted, they would cost the railroads an added BILLION DOLLARS A YEAR.

Increased Wages, Too

On top of these "rules" changes, the leaders of the operating unions have filed an additional demand for a wage increase of over 30 per cent. If granted, this would be an added cost to the railroads of \$400,000,000 a year.

\$468,000,000 To Non-Operating Employees

In addition to this, an Arbitration Board has just granted a wage increase of 15 1/2 cents an hour to the million employees represented by the 17 non-operating unions. This will cost the railroads \$468,000,000 a year.

Where Will The Money Come From?

Where will all the money come from to pay these increases? They total several times as much as the railroads made in 1946 or will make in 1947.

In July, the railroads filed an application for increased freight rates to close the gap which then existed between wage and material costs, and railroad revenues. Since then it has been necessary, because of further increases in wages and material costs, to supplement that petition and to ask for an additional freight rate

increase. No other course is open:

Railroads Do Not Run For Employees Alone

Railroads are operated for the benefit of not one, but several groups—shippers, passengers, employees, stockholders, and the general public. The interest of all must be served—and that cannot be done unless the railroads can operate efficiently and economically, and unless they are allowed to earn sufficient revenue to provide the kind of transportation service this country MUST HAVE.

NOTICE

Whereas, the Board of Trustees of the Municipal Separate School District of the City of Bay St. Louis has presented to the Board of Mayor and Commissioners of the City of Bay St. Louis a petition requesting the governing authorities of said City to issue bonds of the City in the amount of FIFTEEN THOUSAND (\$15,000.00) DOLLARS, for the purpose of supplementing funds now on hand to construct a public school building in said City for the use of the colored school children of said City; said petition being in the following words and figures to-wit:

"Sept. 13, 1947
"To the Honorable Mayor and Commissioners
"Whereas it is necessary for the City of Bay St. Louis to build a new school building for the colored children of Bay St. Louis to replace the one destroyed by fire, and
"Whereas this school has on hand approximately twenty thousand dollars for such a building, and the State Board of Education will advance an additional sixteen thousand dollars on an eight class room building provided a contract is let and construction begun by November 15, 1947, and
"Whereas, after widely advertising for bids on three separate occasions, the lowest bid was for approximately fifty thousand dollars and this Board cannot proceed further without the assurance of fifteen thousand dollars from the City of Bay St. Louis.

"Be it therefore resolved that we, the Board of Trustees of the Municipal Separate School District of the City of Bay St. Louis in special meeting respectfully petition the Mayor and Commissioners of said City to take such steps as are necessary to issue bonds in the amount of fifteen thousand dollars for the above mentioned purpose. The above resolution was approved by unanimous vote of the board composed of Dr. J. A. Evans, Sam Whitfield, J. B. Burrows, Wayne Alliston and Mrs. C. C. McDonald.

Dr. J. A. Evans, Pres.
s J. A. Evans
Mrs. C. C. McDonald, Sec.
s Mrs. C. C. McDonald
Whereas, it is the desire of this Board to comply with the request hereinabove set out; and
Whereas, the City of Bay St. Louis is a municipality of less than 15,000 inhabitants; and
Whereas, it is the desire and intention of said City to issue bonds in the amount of FIFTEEN THOUSAND (\$15,000.00) DOLLARS, or so much thereof as may be necessary and legal, with an interest rate of not more than six per centum (6%) per annum, for the purpose of supplementing funds now on hand for the construction of a public school building for the use of the colored school children of said City, and purchasing the necessary equipment for same; and
Whereas, it is the desire of this Board to issue bonds in said amount, as provided by Section 3605 of the Mississippi Code of 1942, said statute being the statute authorizing the issuance of bonds without an election, provided twenty percent (20%) of the qualified electors of the municipality do not file written protest against the issuance of said bonds, after having been given three weeks' notice by publication of the intention of the Board to issue said bonds; and
Whereas, it is the desire of this Board that notice be published in the Sea Coast Echo, a weekly newspaper, having a general circulation in the City of Bay St. Louis and having had such general circulation for a period of more than one year, as provided by law.

Now, Therefore, Be It Hereby Resolved and Ordered that notice of intention to issue said bonds shall be published in the Sea Coast Echo, said notice to be as follows, to-wit:

NOTICE OF INTENTION TO ISSUE BONDS
Whereas, the City of Bay St. Louis is a municipality of less than 15,000 inhabitants; and
Whereas, said City intends to issue FIFTEEN THOUSAND (\$15,000.00) DOLLARS of bonds, or so much thereof as may be necessary and legal;
Notice is hereby given of the Board's intention to issue said bonds on or after the 20th day of October, 1947; and if twenty percent (20%) of the qualified electors of the municipality shall file no written protest against the issuance of said bonds on or before said date, then the said Board shall issue the said bonds without an election. The purpose of said issuance of bonds being for the purpose of supplementing funds for the purpose of supplementing funds now on hand for the construction of a public school building for the use of the colored school children of the City of Bay St. Louis.
Dated this 16th day of September, A. D. 1947.
BOARD OF MAYOR AND COMMISSIONERS, CITY OF BAY ST. LOUIS, MISS.
(Signed) By: H. GRADY PERKINS, City Secretary.

The above and foregoing resolution having been first reduced to writing was read and considered section by section, and then as a whole, and upon motion of H. Grady Perkins, Commissioner of Public Utilities duly seconded by W. L. Bourgeois, Commissioner of Finance, was finally passed and adopted, section by section, and then as a whole by the following vote, to-wit:
Those voting yes: G. Y. Blaize, Mayor; W. L. Bourgeois, Commissioner of Finance; and H. Grady Perkins, Commissioner of Public Utilities.
Those voting nay: None.

Veterans' News

One in every five World War II veteran holding National Service Life Insurance policies has converted to one or more of the half-dozen available permanent plans, the Veterans Administration reports.

Of the 5,766,000 policies in force in August, more than 1,037,000 were permanent policies and the remaining 4,708,000 were five-year level term policies.

Total value of all the GI policies in force amounted to more than \$344 billion. Permanent forms accounted for over \$144 billion of this total.

NSLI term policies issued before January 1, 1946, may be continued for eight years from the effective date at the original rates, while such insurance issued after that date may be continued for five years on a term basis.

Term policies do not accrue cash, loan, paid-up or extended insurance value. They may be converted at any time before the expiration of the term period to any of the six permanent plans available.

QUESTIONS AND ANSWERS

Q—Can I get wartime compensation rate paid for disabilities I incurred in peace time service?
A—No. If your disability was incurred in peacetime service, you will not be entitled to wartime benefits unless your service falls under PL 359-77th Congress which provides wartime rates if the disability was the direct result of armed conflict

or was received while you were engaged in extra hazardous service.

Q—How can I show that my parents are dependent on me for support?
A—Dependency will be held to exist if your parents do not have an income sufficient to provide reasonable maintenance for themselves and members of their family under legal age, or members of the family otherwise dependent by reason of mental or physical condition.

Q—If I accept the compensation check VA has sent me, does that mean I am satisfied with the rating given me?
A—No. The acceptance of a check does not waive any rights you may have in claiming greater compensation or pension than that which has been awarded you.

What identification data should I give in writing about my claim for benefits administered by the Veterans Administration?
A—If you are making application you should give your full name, grade, organization, serial number, date of entrance into service, date of discharge, and date and place of birth. After the claim is filed it will be assigned a claim number which should be mentioned in all subsequent communications.

Safe hands guard the future of Mississippi

They're kindly hands—stern when needed—but understanding always. They are the hands of Mississippi teachers, hands in which lie the future citizenship and culture of our state. These are the hands which conserve the glorious traditions, the manners, the customs and knowledge of the past.

But knowledge is of little value unless it can be put to use for the benefit of mankind, and it is the responsibility of our teachers to give it

that value. So, too, other groups in the state give value to many of the things we hold most dear.

United Gas gives value to a natural resource that might otherwise remain worthless in the ground. By providing a market for natural gas, by constructing pipe lines between wells and consumers, United renders a great service to the state. This is practical conservation, for it gives value to this finest of fuels, stimulates industrial development, creates jobs, and benefits all the families in Mississippi.

FORREST JACKSON.

CANDIDATE FOR UNITED STATES SENATOR—SAYS:

"Certain forces are opposing me because I always stood by Senator Bilbo in his many fights for the People's interest. The fight against our Southern Customs is still being waged. It is real! It is determined! It is dangerous! But the People can and will win, and I dedicate myself without reservation to their cause and best interests.

"There are two distinct questions raised that become the natural issues in this campaign. First, the election of which candidate will be the most direct, clear-cut answer to those who have challenged our right to elect our own members in the United States Senate. Second, which of the candidates presents the most progressive and worthwhile program for the People of this State, and is best qualified to carry on the fight in behalf of our People.

Forrest Jackson assisted Governor Fielding Wright in preparing and presenting Mississippi's opposition to the infamous FEPC Bill before the Senate Committee in Washington this past summer during the Governor's race.

Forrest Jackson is fresh from the People — Knows their views and problems; has recognized ability and a broad background of experience. He knows how to get things done.

Forrest Jackson can and will work in harmony with the entire Mississippi delegation in Congress for the greatest good for all our people in Mississippi and the Nation.

With Michael Duane, Gloria Henry, Harry Davenport, Jane Darwell, Jo Anne Marlow

Movie trends come and go, but Hollywood producers know that whatever the current vogue may be, the time is always ripe for a film of a Gene Stratton Porter novel. Mrs. Porter's stories are refreshingly simple, concern real people, and always afford a welcome relief from hard-hitting melodramas, brittle comedies and yarns about the big cities.

Her "Girl of the Limberlost" and "Laddie" have both been made

twice and each time enthusiastically received by moviegoers.

Now, a third and glowing new version of "Keeper of the Bees," her most famous novel, has been produced and will open Wednesday and Thursday at the Orte Theater. Advance reports say that all the rich humor and warmth of the beloved romance is captured in this entertaining Columbia production.

Featured roles are played by Michael Duane, Gloria Henry, Harry Davenport, Jane Darwell and Jo Ann Marlowe. While Duane is usually cast in romantic parts of a rather casual nature, it is reported that his portrayal of the embittered young artist, Jamie McFarlane, is the most sensitive acting he has done so far.

Newcomer Gloria Henry, as Alice, with whom Jamie falls in love, is radiantly beautiful and has already proven herself to be an intelligent actress. Harry Davenport, as the kindly "bee master," Jane Darwell playing the mean Mrs. Ferris, superintendent of an orphan asylum, and Jo Ann Marlowe, the appealing youngster of "Mildred Pierce" and "Little Iodine" round out the well-chosen cast.
